

Kindergarten Program

Dear parents,

We are excited to be able to extend our membership to kindergartners! Children five years old by June 1st and going into kindergarten are eligible for membership into the program. Membership is valid June 1st to May 31st. Parents of kindergartners must provide a birth certificate or other proof of identification (for age verification) at the time of registration. Membership will be sold on a first come and first serve basis and space is limited. The membership is good exclusively at the Clubhouse where it was purchased.

In order for your kindergartner to have the best and most fulfilling experience while at the club, we have limited enrollment space. Members in the program will have priority registration throughout the year so long as fees are made in a timely manner as per enrollment contract. Failure to pay fees by the given deadline will result in forfeiture of space in the program.

All kindergarten program participants will be required to purchase a Club membership. In addition to the membership, a quarterly enrollment fee will be charged and participants will have to be enrolled in our camps or transportation programs.

The quarterly fee as well as the program services fee (i.e. Camps and Transportation) fee will be mandatory in order for your child to attend the club. Your child may not attend the club unless both are paid for. There are also additional charges for optional special events, such as league sports, field trips, and classes. A \$10 service fee for returned checks will be charged, then only cash payments will be accepted. All payments made towards Kindergarten programs are non-refundable and non-transferrable.
