

Kindergarten Program

Dear parents,

We are excited to be able to extend our membership to kindergartners!

Children five years old by June 1st and going into Kindergarten are eligible for membership into the program. Membership is valid June 22nd to May 31st. Parents of kindergartners must provide a birth certificate or other proof of identification (for age verification) at the time of registration. Membership will be sold on a first come, first serve basis and space is limited. The membership is good exclusively at the Clubhouse where it was purchased.

In order for your kindergartner to have the best and most fulfilling experience while at the club, we have limited enrollment space. Members in the program will have priority registration throughout the year so long as fees are made in a timely manner as per enrollment contract. Failure to pay fees by the given deadline will result in forfeiture of space in the program.

All kindergarten program participants will be required to purchase a Club membership. In addition to the membership, participants must be enrolled in each session and pay a weekly fee which includes our camps and transportation programs. Space in the Kindergarten program is limited.. These fees are mandatory in order for your child to attend the club. There are also additional charges for optional special events, such as league sports, field trips, and classes. A \$10 service fee for returned checks will be charged, and then only cash payments will be accepted. **All payments made towards Kindergarten Programs are non-refundable and non-transferrable.**

For more information please visit us on the web or contact us at 619-443-9293.
