

Spring 2018
The Brady Family Clubhouse
& Eleni and Wolfgang Gagon Academy

Dreams are coming true, thanks to you!

The Boys & Girls Clubs of East County have embarked on our biggest challenge yet, raising \$9.8 million for a brand new Clubhouse on the west end of La Mesa. This project started as a dream and has turned into a reality. Lead donors, Ron and Mary Alice Brady of La Mesa, have been involved since day one; the Clubs could not be here without their love for the children, community and the Clubs! **Thank you Ron & Mary Alice... you are saving lives!**

Countless community members and partners have joined to make sure La Mesa's kids will have a fun and safe place to learn, grow and play after school and during summer. Thank you for your encouragement, financial support and love; we hope to open the doors of The Brady Family Clubhouse & Eleni and Wolfgang Gagon Academy by the fall.

Join the fun!

Save the Date!

Our Grand Opening Ceremony is tentatively set for early October! Details to follow.

County Supervisor Dianne Jacob and the County of San Diego have committed over \$670,000 to this project for the installation of the gymnasium and solar panels. Thank you Supervisor Jacob!

Thank YOU for your belief in the children we proudly serve.

GREAT FUTURES START **HERE.**
