

BOYS & GIRLS CLUBS
OF EAST COUNTY

March 13, 2020

Dear Parent,

Our commitment to keeping the young people we serve safe is always our number one priority. Following the Coronavirus disease (COVID-19) outbreak, it's important that you know the Boys & Girls Clubs of East County is doing everything possible to keep your child, our staff and volunteers protected from its spread.

As such, the Boys & Girls Clubs of East County has made the difficult decision to shut down all of our locations, effective Monday March 16th.

We will continue to closely monitor reports from the Centers for Disease Control and Prevention (CDC) and our local health department for all updated information.

We thank you for your understanding and are hopeful that we will be able to safely open our doors to your children again very soon.

Should you have any questions or concerns about this or any other matter, please do not hesitate to contact me directly. Our commitment to you and your children is unwavering.

Sincerely,

Brandie Warren
Director of Operations, Boys & Girls Clubs of East County
