Who we are:

Our main purpose is to support the Boys & Girls Clubs of East County by acquiring, developing, investing and managing funds and other assets.

How we support the Clubs:

- Provide annual grants to the BGCEC for scholarships for members that cannot afford Club fees, staff development & operational support
- Manage endowed funds to ensure the BGCEC can serve the children of our community in perpetuity
- Assess feasibility for opening a Clubhouse in our community and manage the capital campaign to raise funds
- Administer memorial college scholarship funds

***Consider leaving your legacy with the
Boys and Girls Clubs of East County Foundation;
it will benefit local children for generations to come!***

The Real VPs... Congratulations to the 2022 Youths of the Year!

These outstanding BGCEC members serve their communities, mentor others, participate positively in their families and make a difference at their Club! Make a Bid for a Kid at the Boys & Girls Club

We are excited to continue to provide safe, affordable, quality and engaging after-school and school-break programming to hundreds of members ages 6-18 in San Diego's East County communities. Your generous support of the Clubs permits us to subsidize the nominal fees we charge for the crucial services we provide to families, Monday through Friday.

Each day, members take a Club-sponsored school district bus from their public school to the Club where they are greeted by friendly and caring mentor staff, place their belongings in their cubby (including phones!), begin their homework or blow off steam in a mentor-run activity. At 4 o'clock members enjoy a Club-provided meal or snack, then can choose from a variety of activities: experiment in the STEM Lab, join a game in the gym, get some sun by playing on the grass field, sharpen their skills in the games room, read independently, sketch in the art room, or for the older ones, hang out in the teen center.

Today's children are faced with many challenges that can negatively impact their mental and physical health; exposure to social media, overscheduled and overworked families, insufficient time outside and inadequate free time. The Clubs pride ourselves on being a reliable, fun and child-focused place where members can express themselves, socialize and build relationships with peers, while enjoying a meal, developing critical-thinking skills and having the dedicated space and time to be a kid!

Thank you for helping make this possible!

Rules of the Auction

SILENT AUCTION BIDDING

An auction participant will place a bid using the bid stickers provided. The person with the highest bid at the time of closing will be considered the winner. Stickers placed after the closing of the silent auction will be considered null and void. Once the sticker is placed on a bid sheet it cannot be removed for any reason. Stickers placed on bid sheets are a legal contract to purchase the item.

All items are offered **"AS IS."** The event organization shall not be responsible for the accuracy of descriptions, genuineness, authorship or condition of items. You MAY NOT pay for OR take possession of an item you did not win. Once an item is paid for and is in your possession, the organization is no longer responsible if it lost, stolen or broken.

Items, including gift certificates, may not be redeemed for cash and expiration dates may not be extended. Note that goods, services and travel packages have various expiration dates specified by the donor and are subject to availability. If an expiration date is not listed, it will be valid for one year from event date. Most travel packages have blackout dates specified by the donor. Air transportation IS NOT included in a trip package unless specified.

GUARANTEED MAXIMUM PURCHASE PRICE

Some silent items offer a guaranteed maximum purchase price. Bidding will stop once the guaranteed maximum is met. Some selected silent items offer multiple items at an established price for purchases (no incremental bidding.)

PREMIUM SILENT AUCTION

There is no bidding on premium silent auction items since an established price will be charged. Multiple items are available for these select items. .

LIVE AUCTION BIDDING

The live auction will take place on stage or a designated area at a specified time. A bid acknowledged by the auctioneer is a legal contract to purchase the item. The highest bidder acknowledged by the auctioneer or official staff shall be the purchaser. Every effort will be made to identify and recognize all bids, but it is your responsibility as a bidder to make your bid known. In the event of a question as to the validity of any bid, the event staff will have final discretion to either determine the successful bidder, or to re-offer the item for the auction. A minimum raise required of at least \$100 higher than the existing bid for all live bidding. The auctioneer, at his sole discretion, can alter raises for any item..

Rules of the Auction

BIDDING DISCLOSURE

Suggested retail values are only a guide. There are no minimum bids required to purchase any items other than the minimum raises in the silent auction, and the established prices for items in the Multiple Silent Auction and Premium Silent Auction sections. Participants at the event will determine the real value of each item through the bidding. All sales are final and there will be no exchanges, refunds or substitutions.

SUGGESTED RETAIL VALUE FOR TRAVEL & HOTEL ACCOMMODATIONS

Airlines: Tariff rates are utilized. One-way fares are utilized if two different cities are featured on the departing and returning flights.

Hotels and Tours: Hotels are valued at rack rate plus sales tax. The rack rate for a hotel is the published full price for which hotel rooms are sold and is not necessarily indicative of the current market rate.

Cruises: Brochure rate for the cabin plus airfare add-ons offered by the cruise line in the brochure.

Ground Transportation: Unless specifically stated otherwise, no ground transportation is included in any package. The winning bidders are required to secure and pay for ground transportation from airports to hotels, airports to cruise ships, hotels to included attractions or tours, etc.

All reservations are subject to availability. Please review text and materials for all restrictions and expiration dates. Blackout dates and holiday restrictions may apply. Rates are based on the high season that the gift certificate is eligible for redemption.

CASHIERING CHECK OUT

Cashiering for live items will be conducted at your dinner tables at the time of the live auction. Silent items will be available for pickup in the lobby at approximately 9:00pm. We accept cash, checks, American Express, Visa, or Mastercard, for your purchases and highly encourage everyone to provide a credit card at check-in. If you need to leave prior to invoices being completed, please call the non-profit to arrange to pick up your items post-event.

Rules of the Auction

TAX DEDUCTABILITY

According to IRS Rules and Regulations, the only tax deduction for the purchase of auction items from non-profit organizations is the amount paid in excess of fair market value. We suggest that you contact your tax professional to determine the tax deductions (if any) for your specific purchase(s)..

BID BY PROXY

Bid by Proxy will take place with the participant completely filling out the Bid by Proxy form on the event auction website. Incomplete and/or illegible forms will be considered null and void. A representative will place the proxy amount at the start of the auction unless it is for the Guaranteed Maximum Purchase Price. If the bid is for a Guaranteed Maximum Purchase item, the bid will be placed 30 minutes after the start of the auction provided that the item has not been purchased by another attendee at the event. The delay of placing the proxy bid provides attending guests an opportunity to bid on all auction items..

AIRFARE UPGRADES

The airfare upgrade in the program is based on a two-category plane (coach class and first class). If a plane with three categories (coach, business and first class) is utilized for the flight, the upgrade will be to the next highest level of service.

Additional terms and conditions are available on the back of all invoices.
