Message from the CEO

Welcome to the 2025 Auction!

We're excited to host you once again at our shining jewel, for an unforgettable evening! Tonight, I hope you enjoy yourself as we celebrate our members, reconnect with friends and of course, bid on some amazing items to help East County's kids that need us most. Your participation here at the Auction gives local girls and boys safe, affordable, and quality programs at our 4 Clubhouses and 1 Teen Center, every day after school and during school breaks. We're proud to bridge the gap between school and home for hundreds of local families in Lakeside, Santee, El Cajon and La Mesa, so children can be productive and social until their parents pick them up.

On behalf of our 1,100 members and their families and our staff, thank you for continuing to believe in our Boys & Girls Clubs.

Cheers,

A handwritten signature in black ink, reading "Forrest Higgins". The signature is stylized with a large "F" and a cursive "H".

Forrest Higgins
CEO

Note from the Auction Chair

Thank you for joining us on the Red Carpet!

I encourage you to walk through the Club, of course bidding on the fabulous items my committee rounded up for you and visit the rooms that have become part of daily life for many of our members. As a board member of the Clubs, we make it a priority to keep our annual membership fee, and monthly program fees as low as possible for the families that use our services. To do so, we rely heavily on funding from private foundations, individuals and corporations to subsidize these fees. Thank you for making this possible! Your contributions, auction item purchases, item donations and bids impact the amount we charge. **Don't forget to raise your hand and make a bid for the best investment in all East County - a bid for our children and their futures!**

Make a Bid for the Kids!

Your contributions subsidize the nominal fees local families pay for daily after-school and summer break programming. A member pays \$55 for their annual membership fee (renews in May) and no more than \$100 per month for school bus transportation. Scholarships are available for families that apply and qualify for assistance; **no family is turned away from the Club due to the inability to pay.**

Without the Club many local children would be home alone unsupervised where they could get into potentially dangerous situations or spend unregulated hours on the internet.

Boys & Girls Clubs of East County Clubhouses are safe, fun and positive environments where members are encouraged to complete their homework, participate in engaging activities, challenge themselves and enjoy a snack. We are proud to be the bridge between school and home for hundreds of local families.

Thank you for helping make this possible!

BOYS & GIRLS CLUBS
OF EAST COUNTY

Rules of the Auction

SILENT AUCTION BIDDING - An auction participant will place a bid using the bid stickers provided. The person with the highest bid at the time of closing will be considered the winner. Stickers placed after the closing of the silent auction will be considered null and void. Once the sticker is placed on a bid sheet it cannot be removed for any reason. Stickers placed on bid sheets are a legal contract to purchase the item.

All items are offered "**AS IS.**" The event organization shall not be responsible for the accuracy of descriptions, genuineness, authorship or condition of items. You **MAY NOT** pay for **OR** take possession of an item you did not win. Once an item is paid for and is in your possession, the organization is no longer responsible if it lost, stolen or broken.

Items, including gift certificates, may not be redeemed for cash and expiration dates may not be extended. Note that goods, services and travel packages have various expiration dates specified by the donor and are subject to availability. If an expiration date is not listed, it will be valid for one year from event date. Most travel packages have blackout dates specified by the donor. Air transportation IS NOT included in a trip package unless specified.

GUARANTEED MAXIMUM PURCHASE PRICE - Some silent items offer a guaranteed maximum purchase price. Bidding will stop once the guaranteed maximum is met. Some selected silent items offer multiple items at an established price for purchases (no incremental bidding.)

PREMIUM SILENT AUCTION - There is no bidding on premium silent auction items since an established price will be charged. Multiple items are available for these select items.

LIVE AUCTION BIDDING - The live auction will take place on stage or a designated area at a specified time. A bid acknowledged by the auctioneer is a legal contract to purchase the item. The highest bidder acknowledged by the auctioneer or official staff shall be the purchaser. Every effort will be made to identify and recognize all bids, but it is your responsibility as a bidder to make your bid known. In the event of a question as to the validity of any bid, the event staff will have final discretion to either determine the successful bidder, or to re-offer the item for the auction. A minimum raise required of at least \$100 higher than the existing bid for all live bidding. The auctioneer, at his sole discretion, can alter raises for any item.

Rules of the Auction

BIDDING DISCLOSURE - Suggested retail values are only a guide. There are no minimum bids required to purchase any items other than the minimum raises in the silent auction, and the established prices for items in the Multiple Silent Auction and Premium Silent Auction sections. Participants at the event will determine the real value of each item through the bidding. All sales are final and there will be no exchanges, refunds or substitutions.

SUGGESTED RETAIL VALUE FOR TRAVEL & HOTEL ACCOMMODATIONS

Airlines: Tariff rates are utilized. One-way fares are utilized if two different cities are featured on the departing and returning flights.

Hotels and Tours: Hotels are valued at rack rate plus sales tax. The rack rate for a hotel is the published full price for which hotel rooms are sold and is not necessarily indicative of the current market rate.

Cruises: Brochure rate for the cabin plus airfare add-ons offered by the cruise line in the brochure.

Ground Transportation: Unless specifically stated otherwise, no ground transportation is included in any package. The winning bidders are required to secure and pay for ground transportation from airports to hotels, airports to cruise ships, hotels to included attractions or tours, etc.

All reservations are subject to availability. Please review text and materials for all restrictions and expiration dates. Blackout dates and holiday restrictions may apply. Rates are based on the high season that the gift certificate is eligible for redemption.

CASHIERING CHECK OUT - Cashiering for live items will be conducted at your dinner tables at the time of the live auction. Silent items will be available for pickup in the lobby at approximately 9:00pm. We accept cash, checks, American Express, Visa, or Mastercard, for your purchases and highly encourage everyone to provide a credit card at check-in. If you need to leave prior to invoices being completed, please call the non-profit to arrange to pick up your items post-event.

Rules of the Auction

TAX DEDUCTABILITY - According to IRS Rules and Regulations, the only tax deduction for the purchase of auction items from non-profit organizations is the amount paid in excess of fair market value. We suggest that you contact your tax professional to determine the tax deductions (if any) for your specific purchase(s).

BID BY PROXY - Bid by Proxy will take place with the participant completely filling out the Bid by Proxy form on the event auction website. Incomplete and/or illegible forms will be considered null and void. A representative will place the proxy amount at the start of the auction unless it is for the Guaranteed Maximum Purchase Price. If the bid is for a Guaranteed Maximum Purchase item, the bid will be placed 30 minutes after the start of the auction provided that the item has not been purchased by another attendee at the event. The delay of placing the proxy bid provides attending guests an opportunity to bid on all auction items.

AIRFARE UPGRADES - The airfare upgrade in the program is based on a two-category plane (coach class and first class). If a plane with three categories (coach, business and first class) is utilized for the flight, the upgrade will be to the next highest level of service.

Additional terms and conditions are available on the back of all invoices.
