# Message from the CEO

## Good Evening!

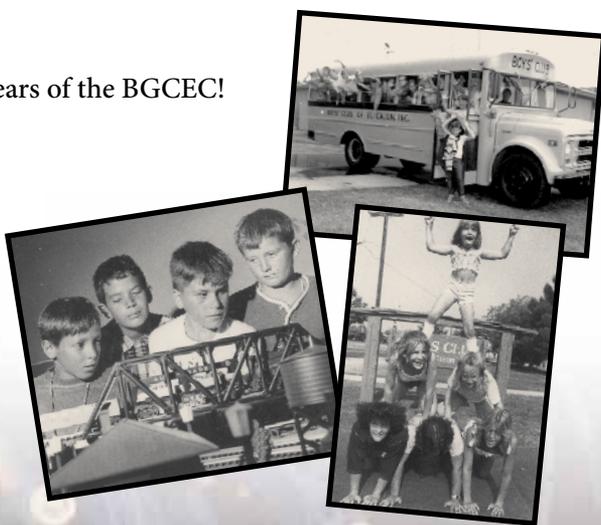

Thank you for joining us as we celebrate 65 years of Boys & Girls Clubs of East County at the 2026 Auction. I'm grateful to host you at our shining jewel, the Brady Family Clubhouse once again and honored to celebrate over six decades of serving East County's kids that need us most. Tonight, I hope you enjoy yourself as we look back on our past, be in the present, and look forward to our future as a youth-development organization. Your participation here at the Auction gives local girls and boys safe, affordable and quality programs at our 4 Clubhouses and Teen Center, every day after school and during school breaks. We're proud to bridge the gap between school and home for over 1,000 children in Lakeside, Santee, El Cajon and La Mesa.

Thank you for being here and continuing to believe in our Boys & Girls Clubs of East County.

Here's to another 65 years of the BGCEC!

Forrest Higgins III  
CEO

## *Note from the Auction Chair*

### **Welcome to the 2026 Auction!**

Thank you for supporting our Clubs tonight. This year is special, not only are we raising funds to underwrite the impact program and services the Boys & Girls Club offers, but we're also celebrating the organization's 65th anniversary doing so. It has been an honor to serve on the board for the Boys & Girls Clubs of East County for the last 10 years; during that time, I've learned the true impact the Club makes on a family's life. Parents rely heavily on the Club's after-school program and summer camps so they can continue making an honest living and providing for their families.

Tonight, I encourage you to soak in the Club, think about all the kids that rely on this building and its staff for safety, stability and even a meal. Our contributions made tonight help keep this Club and our 4 others, the safe-haven and dependable pillar our members need in their lives.

Thank you!

# Our Foundation

## The BGCEC Foundation

Our mission is to support the Boys & Girls Clubs of East County by acquiring, developing, investing and managing funds and other assets.

### How we support the Clubs:

- Provide annual grants to the BGCEC for scholarships for members that cannot afford Club fees, staff development & operational support
- Manage endowed funds to ensure the BGCEC can serve the children of our community in perpetuity
- Assess feasibility for opening a Clubhouse in East San Diego County and manage the capital campaign to raise funds
- Administer memorial college scholarship funds

To learn more about the BGCEC Foundation, or to find tools to help shape your legacy, visit our website:

# Youth of the Year

Congratulations to our 2025 youths of the year! These incredible youth are BGCEC members that serve their community, mentor others, participate positively in their families, and make a difference at their Club! Nominees are selected by their Club and are entered into the Youth of the Year process where they write a personal statement, participate in interviews by a panel of judges and are ultimately selected to represent their Clubhouse for the year.

## Congratulations!

# Make a Bid for the Kids!

Your contributions subsidize the nominal fees local families pay for daily after-school and summer break programming. A member pays \$55 for their annual membership fee (renews in May) and no more than \$100 per month for school bus transportation from their local public school to the Club.

**Scholarships are available for families that apply and qualify for assistance; no family is turned away from the Club due to the inability to pay fees.**

Without the Club, many local children would likely be home alone, unsupervised, and spending unregulated hours on the internet.

Boys & Girls Clubs of East County Clubhouses are safe, fun and positive environments where members are encouraged to complete their homework, participate in engaging activities, set goals, overcome challenges, build relationships with peers, and think for themselves. We are proud to be the bridge between school and home for over 1,000 local families.

**Thank you for making this possible!**

# Rules of the Auction

**SILENT AUCTION BIDDING** - An auction participant will place a bid using the bid stickers provided. The person with the highest bid at the time of closing will be considered the winner. Stickers placed after the closing of the silent auction will be considered null and void. Once the sticker is placed on a bid sheet it cannot be removed for any reason. Stickers placed on bid sheets are a legal contract to purchase the item

All items are offered “**AS IS**.” The event organization shall not be responsible for the accuracy of descriptions, genuineness, authorship or condition of items. You **MAY NOT** pay for OR take possession of an item you did not win. Once an item is paid for and is in your possession, the organization is no longer responsible if it lost, stolen or broken.

Items, including gift certificates, may not be redeemed for cash and expiration dates may not be extended. Note that goods, services and travel packages have various expiration dates specified by the donor and are subject to availability. If an expiration date is not listed, it will be valid for one year from event date. Most travel packages have blackout dates specified by the donor. Air transportation **IS NOT** included in a trip package unless specified

**GUARANTEED MAXIMUM PURCHASE PRICE** - Some silent items offer a guaranteed maximum purchase price. Bidding will stop once the guaranteed maximum is met. Some selected silent items offer multiple items at an established price for purchases (no incremental bidding.)

**PREMIUM SILENT AUCTION** - There is no bidding on premium silent auction items since an established price will be charged. Multiple items are available for these select items.

**LIVE AUCTION BIDDING** - The live auction will take place on stage or a designated area at a specified time. A bid acknowledged by the auctioneer is a legal contract to purchase the item. The highest bidder acknowledged by the auctioneer or official staff shall be the purchaser. Every effort will be made to identify and recognize all bids, but it is your responsibility as a bidder to make your bid known. In the event of a question as to the validity of any bid, the event staff will have final discretion to either determine the successful bidder, or to re-offer the item for the auction. A minimum raise required of at least \$100 higher than the existing bid for all live bidding. The auctioneer, at his sole discretion, can alter raises for any item.

# Rules of the Auction

**BIDDING DISCLOSURE** - Suggested retail values are only a guide. There are no minimum bids required to purchase any items other than the minimum raises in the silent auction, and the established prices for items in the Multiple Silent Auction and Premium Silent Auction sections. Participants at the event will determine the real value of each item through the bidding. All sales are final and there will be no exchanges, refunds or substitutions.

## SUGGESTED RETAIL VALUE FOR TRAVEL & HOTEL ACCOMMODATIONS

**Airlines:** Tariff rates are utilized. One-way fares are utilized if two different cities are featured on the departing and returning flights.

**Hotels and Tours:** Hotels are valued at rack rate plus sales tax. The rack rate for a hotel is the published full price for which hotel rooms are sold and is not necessarily indicative of the current market rate.

**Cruises:** Brochure rate for the cabin plus airfare add-ons offered by the cruise line in the brochure.

**Ground Transportation:** Unless specifically stated otherwise, no ground transportation is included in any package. The winning bidders are required to secure and pay for ground transportation from airports to hotels, airports to cruise ships, hotels to included attractions or tours, etc.

All reservations are subject to availability. Please review text and materials for all restrictions and expiration dates. Blackout dates and holiday restrictions may apply. Rates are based on the high season that the gift certificate is eligible for redemption..

**CASHIERING CHECK OUT** - Cashiering for live items will be conducted at your dinner tables at the time of the live auction. Silent items will be available for pickup in the lobby at approximately 9:00pm. We accept cash, checks, American Express, Visa, or Mastercard, for your purchases and highly encourage everyone to provide a credit card at check-in. If you need to leave prior to invoices being completed, please call the non-profit to arrange to pick up your items post-event.

# Rules of the Auction

**TAX DEDUCTABILITY** - According to IRS Rules and Regulations, the only tax deduction for the purchase of auction items from non-profit organizations is the amount paid in excess of fair market value. We suggest that you contact your tax professional to determine the tax deductions (if any) for your specific purchase(s).

**BID BY PROXY** - Bid by Proxy will take place with the participant completely filling out the Bid by Proxy form on the event auction website. Incomplete and/or illegible forms will be considered null and void. A representative will place the proxy amount at the start of the auction unless it is for the Guaranteed Maximum Purchase Price. If the bid is for a Guaranteed Maximum Purchase item, the bid will be placed 30 minutes after the start of the auction provided that the item has not been purchased by another attendee at the event. The delay of placing the proxy bid provides attending guests an opportunity to bid on all auction items.

**AIRFARE UPGRADES** - The airfare upgrade in the program is based on a two-category plane (coach class and first class). If a plane with three categories (coach, business and first class) is utilized for the flight, the upgrade will be to the next highest level of service.

Additional terms and conditions are available on the back of all invoices
